

The screenshot shows the Jira application interface. On the left, there's a sidebar with project navigation, including 'Для вас', 'Радости', 'Новости', and 'QA DemoQA Project' which is selected. Below that are 'Создать...', 'ПОДРОБНЕЕ', and 'Другие разделы'. The main area is titled 'Реализации' and shows a backlog for the 'QA DemoQA Project'. The backlog lists 20 items, each with a title, status, due date, and a small user icon. The items are:

- SCRUM-5 Test Plan – DemoQA Book Store Application
- SCRUM-6 Test Scenario – Registration, Login, Navigation (DemoQA B...
- SCRUM-7 TC-01 – Registration Form Validation
- SCRUM-8 TC-02 – Login with Valid Credentials
- SCRUM-9 TC-03 – Login with Invalid Credentials
- SCRUM-13 TC-07 – Navigate to Profile Page
- SCRUM-14 TC-08 – Smoke Test – Open Main Pages
- SCRUM-15 Bug 1 – Registration Form Validation
- SCRUM-16 Bug 2 – Login with Valid Credentials
- SCRUM-17 Bug 3 – Open Book Details Page
- SCRUM-18 Adaptive check DemoQA
- SCRUM-19 TD-09 – Registration with valid data (Позитивный)
- SCRUM-20 TC-09

Each item has a status dropdown (e.g., 'В работе', 'К выполнению'), a due date (e.g., '22 нояб.'), and a user icon.
